

Admission Procedure of Booterstown National School

Cross Avenue,
Booterstown,
Blackrock,
County Dublin
Roll number: 19901T

School Patron: The Archbishop of Dublin and Bishop of Glendalough

1.1 Only those Application Forms that have been completed in full, signed, dated, accompanied by relevant supporting documentation and submitted by the closing date will be considered by the Board. In order for an application to be considered, all required accompanying documentation must be provided prior to the closing date.

1.2 An Application Form must be accompanied by

(i) A birth certificate for the student in respect to whom the application has been made (the "Applicant Student")

(ii) Proof of address in the form of a utility bill in the Applicant's name (or in one of the Applicant's names where there is more than one Applicant), which must be dated no later than three months prior to the closing date

(iii) Statement confirming that the Applicant Student is a member of a minority religious denomination, where applicable as outlined below

(iv) Evidence to support the statement that the Applicant Student is a member of a minority religious denomination, where applicable, as outlined below.

1.3 It should be noted that submission of an Application Form does not confer a right to admission nor does it guarantee a place in the School.

1.4 Submitting inaccurate information on an Application Form or in accompanying documentation will render the application void ab initio. Where a place has been offered, this will result in the offer of the place being withdrawn, the place being reallocated and the Applicant Student being placed last on the waiting list.

1.5 Submission of the Application Form early in the Admissions Application period is not a factor in the allocation of places in the School. If an application is submitted prior to the Admissions Application Period, the application will not be considered by the Board.

1.6 Applicant Students, in respect of whom applications are made for junior infants, must have attained their 4th birthday no later than the 30th June in the calendar year in respect of which the application for enrolment is made.
